Child Care Benefits Simplify Summer

Your Penn Medicine-sponsored Tuition Benefit savings are the perfect way to help you integrate work and family this summer. Did you know you can use your employer-sponsored tuition benefit to save 10% on child care this summer? It's true!

KinderCare Summer Programs for Babies-Prekindergarteners

Children will start building confidence for life by having fun with friends and sharpening their skills. Our expert-crafted summer curriculum gets your child:

- Playing with water and observing the weather
- Discovering bugs and dinosaurs
- Learning about foods and different types of stories
- ... and more!

KinderCare Champ Camp for K-6th Graders

Our full-day program takes children on an incredible race around the world where they'll:

- Learn STEM skills through hands-on activities
- Create inspiring art that reflects their passions
- Romp around outside and move their bodies
- Buddy up with friends and practice teamwork
- Discover new things about themselves and the world

What matters to you matters to us.

This summer, keep the learning going with fun, flexible program right in your neighborhood. Whether you need full-or part-time care for your baby, toddler, preschooler, or big kid, we've got you covered.

Summer break provides a chance for kids to cut loose and enjoy the freedom of a less structured schedule. However, as parents and teachers know well, months away from academic pursuits can make for a rocky start to a new school year come fall.

Summer slide is when students lose some of the achievement gains they made during the school year. Parents can help kids avoid this learning recession and stay engaged with these tips and ideas from the experts at KinderCare.

Find the closest KinderCare near you to learn more about all the summer fun we plan to have!
